I-65 lanes restricted during installation of overhead sign

Restrictions scheduled for 4:30-6 a.m. Nov. 3

GARY, Ind. – The Indiana Department of Transportation (INDOT) announces the right and center lanes of northbound I-65 near mile marker 258 will be restricted 4:30-6 a.m. Nov. 3 during the installation of an overhead sign. The will further instruct traffic that the right lane is "Exit Only" to access westbound I-80-94.

This work is part of the Major Moves New Construction interchange improvement project at Interstate 65 and Interstate 80/94 (the Frank Borman Expressway). INDOT reminds drivers to use caution and consider worker safety when traveling through a highway construction zone.

Major Moves fully funds a decade of critical highway projects in Indiana. When Major Moves is complete in 2015, more than 200 new construction and 200 major highway preservation projects will have been built. This innovative plan will bring jobs to the Hoosier State and leave a legacy for Indiana to be a global leader in distribution and logistics.
